

# Bonus system

## **Cut out or remove voucher from packaging and collect!**

Every time you buy a Pre-Wash product you get one loyalty coupon. Collecting them is worth your while. In return for your customer loyalty you can choose a gift for yourself! The loyalty bonuses are regularly up-dated and are available as long as stocks last. We reserve the right to change or suspend the bonus system at any time. We are of course also concerned about the high quality of our loyalty bonuses. But as we are not their manufacturer, we cannot guarantee their quality. Please note that fabrics with advertising prints must be washed carefully to prevent fading.

Thank you!
